

CAREER SERVICE

Why I Stayed

Quote card

fighter Givati:

"During service I was in combat, a friend from the team saved lives and now I'm debating whether to stay in career service to save someone else. I feel like this could be my mission."

TASK

2

Basic training commander:

"I was sure I'd be discharged right after regular service. But I saw how young soldiers arrive confused and leave confident in themselves. I felt like I was changing lives, so I'm thinking of staying in command."

TASK

2

Intelligence officer:

"The information that goes through us saves lives, sometimes without anyone knowing. I stayed in career service because I felt my contribution couldn't end at the end of regular service."

TASK

2

Air defense fighter:

"In the last war, the interception we made saved an entire neighborhood. I understood that if I'm good at this, I can't give up. I'm thinking of extending my service so I don't stand on the sidelines."

TASK

2

Military doctor:

"When they started evacuating wounded, I worked 36 hours straight without feeling it. I saw the difference between life and death. Maybe I can contribute here more than in civilian life."
