1. Youth shelter

Position: Evening counselor

Position description: Difficult nights, with teens who have trouble opening up. Sometimes you'll feel rejection. But whoever has a big heart, patience and ability to see beyond behavior, can build a real and life-changing connection. There aren't many compliments, but when it happens, you become an unforgettable figure.

2. Children's hospital ward

Position: Emotional support and accompaniment for hospitalized children.

Position description: Every day in the ward you meet sick children, some undergoing difficult treatments. The goal is to arrive with good energy, games and stories, and bring light, joy and courage to rooms that need it. Sometimes it can be emotionally difficult, but it's also very moving and fulfilling.

3. Employment center for people with disabilities

Position: Daily accompaniment and assistance.

Position description: Work with adults with special needs, some with physical disabilities and some with communication disabilities. The position includes support, conversations, laughter, practical help. Requires sensitivity, patience and special ability to see the person beyond the limitation.
